

GASP MOBILE

WHAT YOU'LL NEED!

- print out of characters
- thick cardboard
- scissors
- pin or hole punch
- thread or nylon line
- two dowel rods/ sticks or unsharpened pencils

STEP 1: glue the character print outs onto cardboard and cut around them following the dotted line

STEP 2: Use a pin or holepunch to make a hole in each character shape. Tie a piece of thread to each shape. Make each thread a different length

STEP 3: Cross one dowel rod over the other at a right angle. Tie together then tie the shapes to the dowels

STEP 4: Finally, make a hole at the top and bottom of the gasp logo. Use a strong piece of thread to hang the mobile
